Dear Community, So, Hermes filed a trademark lawsuit against me on Friday—all send me or my lawyers a copy. My lawyers and I have reviewee complaint. Hermes claims are groundless and we look forward those claims court and balloging to set a required to set.

I am not creating or selling fake Birkin bags. I've made art works that depict imaginary, fur-covered Birkin bags.

my lawyers at Lex cumina PLCC but it were wreen mey said that the Prist.

Amendment gives me the right to make and sell art that depicts Birkin bags, just as it gave Andy Warhol the right to make and sell art depicting Campbell's soup cans.

triat art depicts, and to comment artistically on mose pags and on the birkin brand.

quite clear from reading Hermes' complaint that they don't understand what an NFT is, or what NFTs do.

lawsuit If I didn't knuckle under and stop doing MetaBirkins altogether. We wrote to them and explained that we were doing nothing we didn't have a right to do. We told them that we believed that the dispute could be resolved through an informal conversation between me and an Hermes representative. Hermes whose lestated to break off expeditions and its use.

I hope Hermes understands that I won't be intimidated.
